

# E-Filing Feature for H-1B Petitions

E-filing for H-1B petitions through Imagility streamlines the submission process, making it faster, accurate, and more efficient. Whether you're an attorney or a petitioner, our platform ensures that all necessary forms are completed and submitted seamlessly.

Here's how Imagility's E-filing feature can transform your H-1B petition process.

## ▶ Key Benefits of E-Filing with Imagility

### Time Efficiency

- **Quick Submission:** E-file detailed H-1B petitions immediately after lottery selection, saving time on physical paperwork.
- **24/7 Access:** Submit documents anytime, anywhere, without the constraints of office hours.

### Streamlined Process

- **Automated Form Filling:** Automatically populate forms such as I-129, G-28, and I-907, reducing manual data entry and errors.
- **Integrated System:** Direct connection with the USCIS portal for seamless data transmission and updates.

### Enhanced Accuracy

- **Error Reduction:** Automated checks help catch errors before submission, ensuring accurate and complete filings.
- **Immediate Confirmation:** Receive instant confirmation and tracking for submitted petitions, avoiding lost or misplaced documents

### Improved Compliance

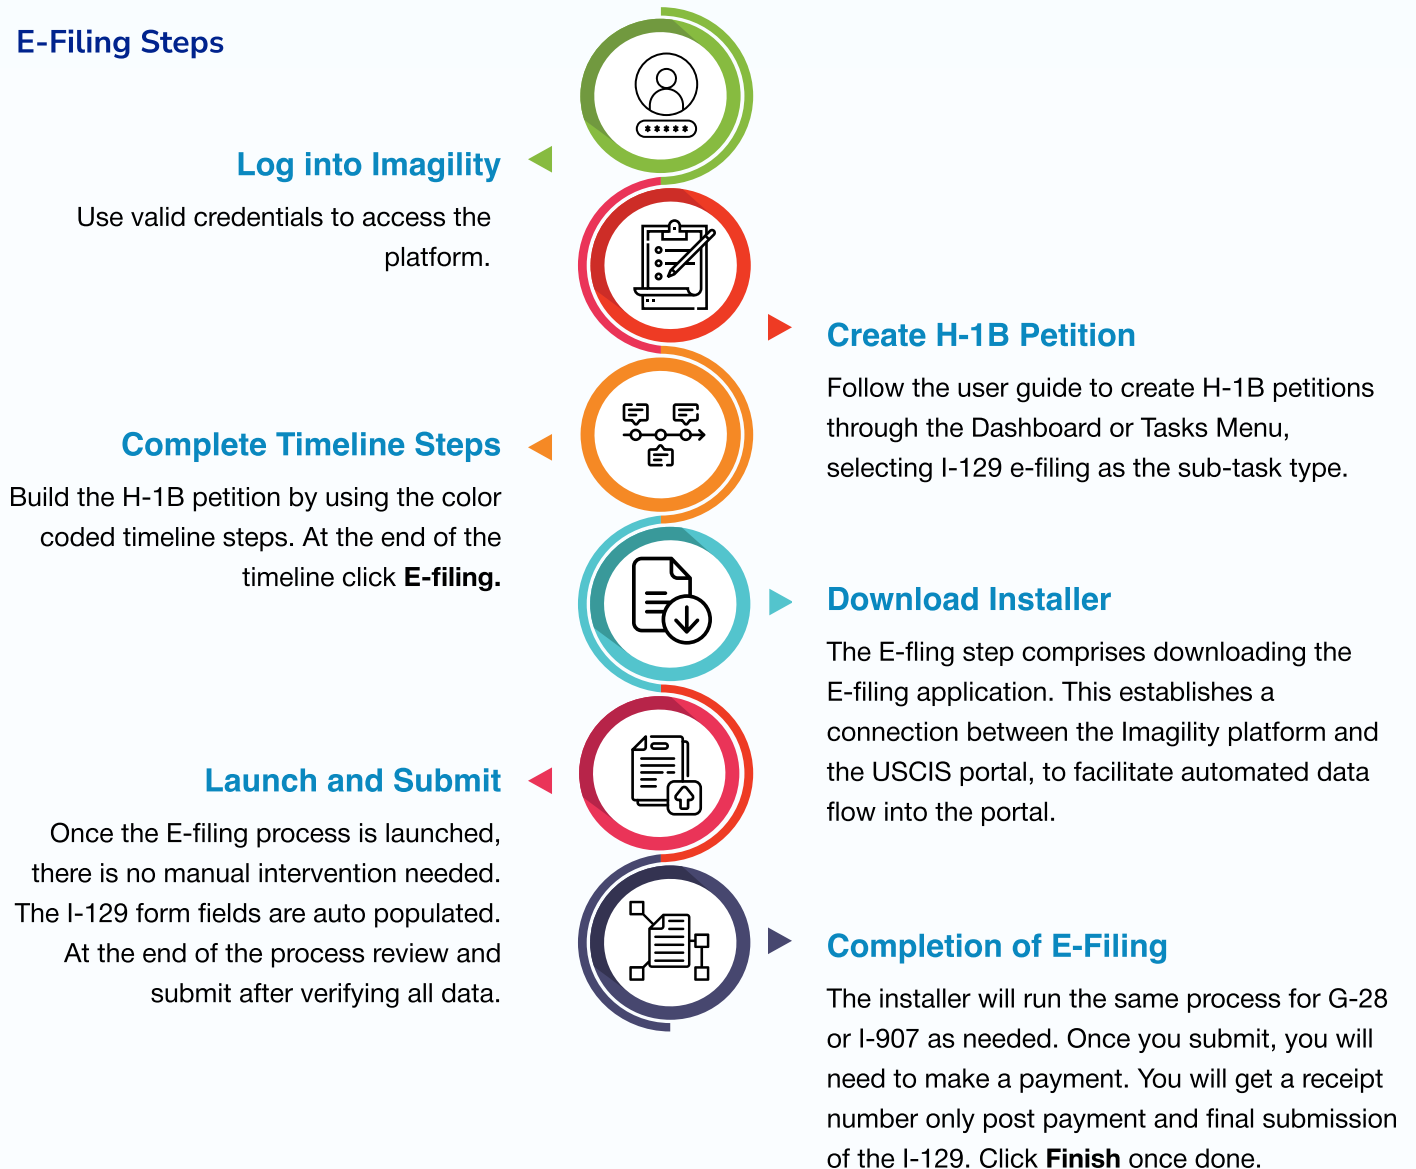

- **Built-In Standards:** Ensure all submissions comply with USCIS requirements, reducing the risk of rejections and delays
- **Secure Transmission:** Enhanced security measures protect sensitive information during transmission.

## ▶ E-Filing H-1B Petitions: Steps and Features

### Pre-requisites

- **Imagility Account:** Companies and representative attorneys must have an account on the Imagility platform.
- **USCIS Account:** Companies need to create an account on the USCIS portal and set up the connection with the attorney representative
- **Lottery Selection:** The H-1B registrant (beneficiary) must be selected in the H-1B lottery.
