

Effortless Billing, Invoicing, and Payment Feature for Attorneys

Seamless Payments through AffiniPay Integration

As an attorney navigating the complex landscape of immigration, managing billing, invoicing and payments efficiently is crucial. The Imagility platform understands the unique needs of legal professionals like you, and we are excited to introduce our comprehensive billing and Invoicing feature that has integrated payments through AffiniPay, designed to streamline your revenue processes.

Feature Highlights

www.imagility.co

Customizable Billing Structures

- ✓ Choose from our customizable templates or upload your own invoices to tailor billing structures to your practice's unique requirements

Invoice Generation and Management

- ✓ Effortlessly create professional invoices directly within the platform. Manage and track the status of invoices, ensuring timely and accurate billing to your clients.

Client Transparency & Engagement

- ✓ Promote trust and satisfaction by providing transparent, detailed invoices, and enhance client engagement through timely notifications.

Compliance and Reporting

- ✓ Stay compliant with legal billing standards effortlessly. Generate comprehensive reports for a clear overview of your financial performance and client billing history.

Benefits of Imagility's Billing, Invoicing, and Payment Feature

Time Efficiency

- ✓ Automate tasks, streamline invoice cycles within the Imagility Platform and focus on your legal practice instead of administrative work.

Financial Accuracy

- ✓ Minimize errors with automated calculations for precise invoicing.

Client Satisfaction

- ✓ Improve communication and strengthen client relationships.

Seamless Payment through AffiniPay Integration

- ✓ Receive payments seamlessly into your AffiniPay account without the need for additional integrations, ensuring a hassle-free revenue cycle.

Streamlined Operations

Registering with AffiniPay

- ✓ Set up your AffiniPay account through Imagility in 5 easy steps. This one-time process gets you ready to receive client payments without a hitch.

Automated Processes

- ✓ One-click functionalities for invoice re-sending, receipt generation, and payment management.

In-House Management

- ✓ Efficient handling of invoicing, billing and payment cycles within the Imagility Platform.

Effortless Billing Cycles

- ✓ Seamlessly manage regular invoicing within Imagility's Platform.

Client-Centric Benefits

Convenient Invoicing

- ✓ Effortless re-sending for convenient client access and payments.

Receipt Generation

- ✓ Generate professional receipts with ease using preloaded templates.

Payment Management

- ✓ Simplify tracking and management, ensuring transparency.

Imagility's Billing, Invoicing, and Payment feature, now integrated with AffiniPay, is designed for efficiency and success. Elevate your practice by embracing a seamless and automated billing experience. Take control of your revenue processes and elevate client interactions. Try Imagility today and experience the future of legal billing!
