

Revolutionize Your Immigration Practice with Imagility's

AI-Enabled Solutions

In the demanding field of immigration law, efficiency, accuracy, and compliance are crucial. Leveraging advanced technology can transform your practice, allowing you to focus on high-value legal work while automating repetitive tasks. Imagility offers a comprehensive suite of features designed to streamline your operations and enhance your service delivery.

AI and Automation

Automate repetitive tasks, reduce errors, and increase overall efficiency, allowing you to focus on high-value legal work.

Bulk Upload

Build multiple petitions simultaneously, saving time and boosting efficiency.

5-Minute Petition Building

Quickly craft a petition using the Immigration Wizard by answering a few questions, syncing the data, and creating a single PDF ready for review and automated e-filing with USCIS.

H-1B E-Filing

Automate data flow directly to the USCIS portal, minimizing errors.

Document Management

Secure cloud storage, templates for consistency, and compile documents into a single PDF petition.

Task Management

Automate workflows and reminders, ensuring timely completion of tasks.

Notifications & Calendar

Automated scheduling and alerts keep clients and team members informed.

Billing & Reporting

Streamline billing with standardized invoices, custom reports, and payment reminders for better financial management.

OCR Capability

Extract text and data from scanned documents effortlessly.

Enhanced Security

Protect the confidentiality and integrity of your legal documents and data.

Compliance Management

Ensure your practice adheres to all regulatory requirements, reducing the risk of non-compliance.

Automatic SOC Code Selection

Easily select the right SOC code for job matching.

Prevailing Wage Assistance

Get help in selecting the right prevailing wage for petitions.

Seamless Integrations

Connect with government databases, Gmail, Outlook, LawPay, and more to enhance productivity and efficiency.

Lead Management and Marketing

Manage leads and enhance your marketing efforts.

Imagility's AI-enabled platform streamlines your immigration practice by automating tasks, enhancing accuracy, and ensuring compliance. Imagility allows you to focus on providing exceptional legal support to your clients. Embrace Imagility and transform your practice today.
