

# How Imagility Supports Every Visa Type

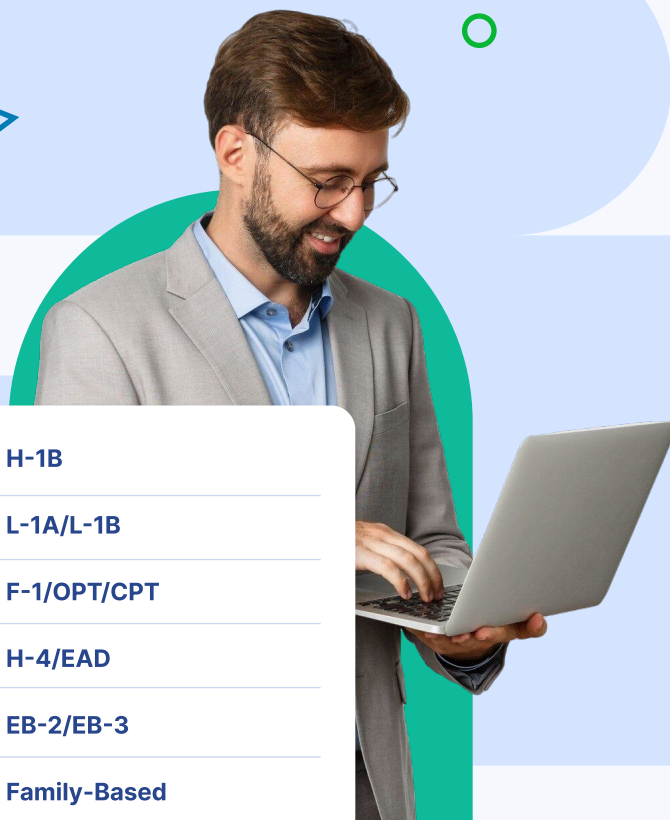

## One Platform, Many Journeys

Whether you're processing H-1Bs for top tech talent, managing family-based petitions, or navigating green card pathways, Imagility is built to handle it all.

With end-to-end lifecycle coverage, smart automation, and real-time collaboration tools, Imagility simplifies the immigration process for attorneys, petitioners, and beneficiaries alike, across all visa types.

- ☐ H-1B
- ☐ L-1A/L-1B
- ☐ F-1/OPT/CPT
- ☐ H-4/EAD
- ☐ EB-2/EB-3
- ☐ Family-Based
- ☐ Naturalization
- ☐ Others

## Visa Workflows Made Simple

Imagility isn't just for employment-based immigration. Our platform supports a wide range of visa categories, all within a unified interface.

Visa Type	What Imagility Supports
 H-1B	 Lottery, petition building, LCA filing, amendments, extensions
 L-1A/L-1B	 Business transfer workflows, supporting docs, and tracking deadlines
 F-1/OPT/CPT	 Student timelines, transition to work visas, and status maintenance
 H-4/EAD	 Dependent management, document linking, and automatic updates

EB-2/EB-3

PERM process, I-140 filing, priority date tracking

Family-Based  
(I-130, I-485)

Marriage-based or relative petitions, biometric & interview alerts

Naturalization  
(N-400)

Application prep, civics test tracking, submission status

Others

TN, O-1, B-1/B-2, I-539, and more—fully configurable templates

## ► Key Features That Power Every Journey

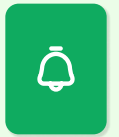

### Petition Templates by Visa Type

Pre-built forms, letter templates  
& doc checklists

### AI-Powered Petition Analysis

Avoid RFEs with smart petition  
review

### Status Tracking & Alerts

Keep all stakeholders informed in  
real time

### Mobile App Access

On-the-go updates and document  
uploads

### Collaborative Portals

Attorneys, HR, petitioners &  
beneficiaries in sync

### USCIS Integration & Auto E-Filing

Reduce redundant work & submit  
faster

## ► One Platform, Endless Possibilities

No matter your case type or caseload, Imagility adapts to your workflow.

Scale your practice without scaling your hours.

Reduce errors, improve transparency, and speed up processing.

Give clients the experience they deserve—from start to finish.

## ► Ready to manage every visa type, in one place?
